Application Form  
GIGA Doctoral Programme

**Personal Details**

First name(s):	Surname(s):
E-Mail:	Phone:
Address:	
Nationality:	Gender:      Female      Male Diverse      No statement

**Doctoral thesis**

Provisional title:

Abstract (approx. 250 words):

## Integration of doctoral project proposal into GIGA's research agenda

Please familiarize yourself with the GIGA's [research](#), its [Regional Institutes](#) and its [Research Programmes](#).

Please select the appropriate GIGA Research Programme(s) and Regional Institute(s) where you see your research proposal fit in:

Please explain how your research project can be integrated into the existing research structures of the GIGA. How would it probably link to and complement current [research projects](#)? How would you benefit from pursuing your research project at the GIGA? What added value does the integration of your project bring to the GIGA? (approx. 450 words):

**Information about funding plans:**

Please explain how you plan to finance your doctoral research in Germany. This could be through a scholarship or another source of income (see [list](#) of some external funding possibilities). Please state the respective funding line that you have already applied to or plan to apply to, the funding period, and other relevant information:

**Education**

Highest academic degree (including issuing institution, date, and grade):	
Further degree (including issuing institution, date, and grade):	
Honors, scholarships, prizes, awards:	

**Language skills**

Native language(s):	
English proficiency:	
Other language(s):	

**Name and contact details of two reference persons**
